

Knowledge Progression – History / Geography (Paragon) - YEAR 1

History

- Changes in living memory (CLM)
- Events in the past (EP)
- Significant historical people (SHP)
- Local history study (LHS)

Geography

- Locational knowledge (LK)
- Place knowledge (PK)
- Human and physical geography (HPG)
- Geographical skills and fieldwork (GSF)

National Curriculum guidance for History-Key Stage 1

Pupils should develop an awareness of the past, using common words and phrases relating to the passing of time. They should know where the people and events they study fit within a chronological framework and identify similarities and differences between ways of life in different periods. They should use a wide vocabulary of everyday historical terms. They should ask and answer questions, choosing and using parts of stories and other sources to show that they know and understand key features of events. They should understand some of the ways in which we find out about the past and identify different ways in which it is represented.

National Curriculum guidance for Geography- Key Stage 1

Pupils should develop knowledge about the world, the United Kingdom and their locality. They should understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their locational awareness.
